16th Annual Benefit for CROSO

About the Event:

CROSO's 16th Annual Benefit will be held on Saturday, September 9th from 11:00am - 2:00pm in the ballroom at Maggiano's in Skokie, IL. The event will begin with a cocktail hour and time for all attendees to bid on silent auction items and purchase raffle tickets. Attendees will then transition to their tables for our seated luncheon, program, and paddle raise. We need your support to make this event a success!

CROSO is inviting individuals and businesses to get involved in this event as sponsors and in-kind donors. This is a great opportunity to show local communities that you recognize your role in the global community and understand the life-changing impact that education can have on individuals and their surroundings.

About CROSO:

CROSO (Child Restoration Outreach Support Organization) is dedicated to making possible the transformation of Ugandan communities by providing post-secondary scholarships to former street children in Uganda. We believe providing our scholars with access to higher education gives them the tools to provide for themselves and their families for the rest of their lives. The CROSO Scholarship goes beyond just covering tuition; it includes all the expenses our scholars will incur while at school including housing, meals, internship expenses, and a laptop. Each scholar is also paired with a mentor in the U.S. with whom they email monthly. CROSO has supported over 60 scholars, who now are equipped to have transformational impact on their communities. With your support, this event can help us increase the number of scholars we support.
